## NAPS 1325 ARE FIT FOR PURPOSE AS CRISIS RESPONSE TOOLS

In the context of the twentieth anniversary of the UN Security Council Resolution (UNSCR) 1325, UN Women will launch the policy paper “NAPs-WPS: Critical Tools in COVID-19 Responses in the Arab States Region”. The paper analyses existing NAPs-WPS in the Arab States Region against the actions recommended by the *United Nations Framework for the Immediate Socio-economic Response to COVID-19*. While NAPs-WPS are always relevant to any crisis, 64% of actions across the five Iraq, Jordan, Lebanon, Palestine, Tunisia and Yemen NAPs-WPS directly correspond with recommended areas of action under the United Nations COVID-19 response framework’.
